Our Drop off & Pick Up Shuttle Service is by arrangement depending on where you get to and includes the shuttle of canoes, kayaks, personal gear and up to 8 passengers. For folks who have hired from us we offer a free drop to the top of Neptune's Staircase at Banavie, at the start of the Great Glen Canoe Trail. You may leave cars with us.

Note: If you have hired canoes or kayaks from us and require a pick-up / shuttle we will happily provide this service at our normal rate.

However, if there are additional boats to be transported along with your own - from other members of your party - then there will be an additional charge of \pounds 20 per boat (including their gear) for each extra boat.

Note: | Normally we ask that you give us a call at least 2 hours before your scheduled pick up time so that we can get to you. The latest time for a "shuttle call" is 2 pm.

Note: | When planning your trip & booking canoes or kayaks from us, please let us know your time of arrival. Our normal check in time for the collection of gear is 9 a.m. There may well be other folks arriving with us at around the same time. We really try not to keep anyone waiting - so please try to keep to your stated time of arrival to avoid inconvenience to others or you may well lose your "slot". This also allows time for the fitting of gear and any paperwork without any rush.
