

expedition camping gear

gear lists & prices

Camping is a fantastic activity with family or a group of friends especially if it is linked to a journey by paddle or on foot – whether this is for a simple overnight or a multi day wilderness expedition into the wilds.

From tents to sleeping mats and stoves to sleeping bags and dixies we have the equipment you need to do it in comfort. If you can't find what you want then just let us know.

Equipping an expedition, whether for a Duke of Edinburgh Award or heading of into the wilderness under your own steam can be extremely time-consuming and expensive. We can supply the kit & advice you need, picked up from our base just outside Fort William and at a fraction of the cost of buying it. This will also give your group the opportunity to try gear before investing in gear of their own. Items are available to hire on an individual basis or as a package.

We also have access to expedition food packs – menus are available for pre-orders.
